

AD1200 digital gateway for 1200 sc pH combination electrodes

Produktnr: 6120600.99

SEK Pris: Kontakta oss

Tillgänglig

Digital gateway to connect pH and ORP analogue sensors to SC 100 and SC 1000 digital controller. A separate digital extension cable is required to connect the digital gateway to the SC controller.

Specifikationer

Diameter:	34 mm
Elektrodkompatibilitet:	All combination pH and ORP electrodes with and without solution ground
Garanti :	24 månader
Kommunikation:	MODBUS
Längd:	175 mm
Omgivningstemperatur:	-20 - 60 °C at 0 - 95% RH (non-condensing)
Vikt :	0,145 kg
